Administered Settlement Policy

Consultation Paper

SEM-12-040

Response by Power NI Energy (PPB)

11 July 2012.

Introduction

Power NI Energy – Power Procurement Business (“PPB”) welcomes the opportunity to respond to the consultation paper on Administered Settlement Policy.

Comments

Although it is unlikely that Administered Settlement will be required, it is prudent of the Market Operator to update the Administered Settlement Methodology and Calculations with the introduction of Intra Day Trading and hence additional gate closures.

PPB supports the suggested changes to the Administered Settlement Policy.
