Consultation Paper

Response by Power NI Energy (PPB)

16 July 2012.

Introduction

Power NI Energy – Power Procurement Business (“PPB”) welcomes the opportunity to respond to the consultation paper on Terms of Reference for the Market Audit 2012.

Comments

PPB believes that any step change in the operation of the market or the operations of the MDPs/SOs should be given priority in subsequent audit. Given the major impact to operation that Intra Day Trading will have, PPB are in favour of Option 3 for the 2012 Audit.
