

SEM Market Integration Workshop

EirGrid Offices Dublin

28th May 2013

- 10:30 – Welcome & Introduction
- 10:40 – Project Update
- 11:00 – Overview of work being carried out by TSOs and SEMO
- 11:15 – CACM – TSO/MO Review
 - Methodologies – who does them, when they have to be done and what they will include
 - Day-Ahead Market Coupling – step through the process
 - Continuous Intraday Trading – step through the process
- 12:15 – Price Coupling of Regions – MO Analysis
- 12:45 – System Operations – TSO Overview
- 13:00 – Lunch
- 13:45 – Participant Presentation/Open Discussion
- 14:45 – Conclusion
- 15:00 – Finish

As above, the agenda will include a provision for presentations from interested market participants or representative groups. The RAs would welcome thoughts from interested parties. It is envisaged that these presentation slots would allow interested parties to present on any developments in thinking since the SEM Committee Next Steps Paper was published.

Those wishing to make a presentation or wishing to discuss the possibility of doing so, should contact Philip Newsome (pnewsome@cer.ie) or Andrew McCorriston (Andrew.McCorriston@uregni.gov.uk) by email.
