

Registration of Interest for PSO-related trading of CfDs

CfDs associated with the Public Service Obligation (PSO) levy in Ireland are offered for sale on a quarterly basis by ESB Trading, acting on behalf of the Regulatory Authorities. Information on forthcoming PSO Auctions is made available on the All Island Project website:

http://www.allislandproject.org/en/project_office_sem_publications.aspx

All market participants who wish to take part in PSO-related CfD trading, or who wish to receive communications relating to PSO Auctions (for example: Auction Rules, Credit Rules, Invitations to Bid and auction results) are invited to register their interest with ESB Trading by sending a list of one or more contact e-mail addresses to:

PGPSO@esb.ie

Registration of interest is purely for the purpose of facilitating communication and does not give rise to any obligation. The list of Registered Interested Parties will be maintained by ESB Trading and will not be made public. Contact details may be amended or interest may be withdrawn at any time by sending an e-mail to the above address.
