- 6.1 If any Index permanently ceases to be published then either Party may request in writing, amendments to this Agreement and the Parties shall negotiate in good faith to agree and will notify the Regulatory Authorities forthwith of:
- 6.1.1 a substitute index (which will then replace such Index as the relevant Index) or adjustments to the amounts derived from the agreed Index; and
- 6.1.2 any other consequential changes necessary to give effect to the substitute Index, which produces as nearly as possible the same result having regard to the commercial intention of the Parties at the time of entering into this Agreement and, to the extent possible, such that neither Party benefits (whether at the expense of the other Party or by way of windfall) nor suffers a detriment, or where some benefit or detriment is unavoidable, it is, in so far as possible, shared equally by the Parties.
- 6.2 If the Parties are unable to reach agreement under Clause 6.1, then, after 20 days from the date on which the written request was made, either Party may refer the matter for resolution by the Regulatory Authorities whose determination shall be final and binding upon the Parties
- 6.3 If in respect of any Index a correction to that Index is issued by a publisher of the Index during a Subscription Period (including the Supplemental Subscription Period) then the Strike Price shall be recalculated and substituted in the relevant Confirmation Letter(s). Any consequent payment due by a Party to the other Party must be made within 5 Business Days of delivery of the relevant invoice by the Party due to receive the payment. However, any claim for such a payment must be made by a Party within 30 days of the end of the Subscription Period (including the Supplemental Subscription Period).

7. Billing and Payment

7.1 Monthly Statement

On or before the 7th Business Day of the Month following each Month which is wholly or partly in the Term, the Seller shall in respect of each Month send to the Buyer a written statement ("Monthly Statement") showing for the preceding Month:

- 7.1.1 A summary for each Transaction, comprising:
- (i) the Product;

- (ii) the Strike Price;
 - (iii) the average SMP in the Month for the Trading Periods applicable to the Product. The calculation of the average SMP shall be based on the simple average SMP of each of Baseload and Peak Products and on the weighted average SMP of Mid-Merit Products;
 - (iv) the difference between the Strike Price and the average SMP;
 - (v) the Contract Quantity;
 - (vi) the number of Trading Periods applicable to the product in the Month;
 - (vii) the Difference Payment owing under the Transaction;
 - (viii) any amount owing from one Party to the other in respect of the Transaction pursuant to any other clause in this Agreement;
- 7.1.2 the net amount payable from one Party to the other after taking into account all the matters set out above; and
- 7.1.3 if applicable, Value Added Tax ("VAT") for the Month.

7.2 **Payment Mechanics**

- 7.2.1 On the 12th Business Day of the Month in which the Monthly Statement is received by the Buyer or the 5th Business Day after receipt, whichever is the later (the "Due Date"), the Buyer or the Seller, as the case may be, shall pay to the other Party to whom it is due, the net amount payable in accordance with the Monthly Statement. The net amount payable in accordance with the Monthly Statement shall be paid without deduction of any charge, levy, expense, or other cost payable by or in respect of the Party required to make the payment.
- 7.2.2 Payment shall be made by the Due Date in [Euro] [Sterling] **[delete as appropriate]** by direct bank transfer or equivalent transfer of immediately available funds to the Party to whom payment is due and to the credit of the account specified by that Party.
- 7.2.3 Where applicable, an amount equal to VAT payable to a Party shall not be required to be paid before the other Party provides it with an appropriate VAT invoice in relation to that amount. Each Party shall provide the other with any additional appropriate VAT invoices as required for the purposes of this Agreement.

7.3 Calculations and multiple Transactions

- 7.3.1 The average SMP for a Transaction for a Month is calculated by taking the average of the SMP in each Trading Period in which the Settlement Quantity for the Transaction is greater than zero; and where the same Settlement Quantities do not apply in all such Trading Periods, the average SMP shall be the weighted average SMP, calculated by taking the sum of (SMP * Settlement Quantity * Duration of a Trading Period) across all such Trading Periods and dividing that quantity by the Aggregate Settlement Quantity for the Month.
- 7.3.2 The amount owing to settle the Difference Payments owed by the Parties under Clause 5 for a Transaction for a Month is calculated by multiplying the value of item (iv) (the difference between the Strike Price and the average SMP) in Clause 7.1.1 by the value of the Aggregate Settlement Quantity. Where the average SMP is higher than the Strike Price, that amount is paid by the Seller to the Buyer, and where the average SMP is lower than the Strike Price, that amount is paid by the Buyer to the Seller.
- 7.3.3 The Seller and the Buyer may agree that where the Transaction Term of more than one Transaction (for which the Seller and Buyer are each the same Party) falls wholly in a Month, the Seller may in addition provide to the Buyer for the Month a statement summarising the information in Clause 7.1 for all such Transactions for the Month.

7.4 Disputed Payments

- 7.4.1 If a Party disputes in good faith any sum shown in the Monthly Statement received by it, or notified in accordance with Clause 7.8, as being payable by that Party, it shall make payment of any undisputed amount to be paid by it (if any) on or before the Due Date and shall give notice of the amount in dispute and the reasons for the dispute to the other Party.
- 7.4.2 The Parties shall seek in good faith to settle the disputed amount as soon as reasonably possible. If the Parties are unable to settle the dispute then, after 30 days from the date on which the notice of the dispute was given, either Party, without prejudice to Clauses 12.2 to 12.65 (Disputes) which Clauses may be invoked if the Parties agree, may take such action as permitted by this Agreement including resorting to the courts.

7.4.3 Any adjustment payment required to be made in accordance with the resolution of a dispute shall be made within 3 Business Days of that resolution.

7.4.4 A Party shall not under any circumstances be entitled to initiate any dispute concerning any sum shown in, or which should have been shown in, a Monthly Statement beyond the period allowed for the raising of a "Settlement Dispute" by a "Participant" as both terms are defined and referred to in the T&SC.

7.5 Interest

7.5.1 If a Party fails to pay to the other Party any amount due by the Due Date, interest shall be payable on that amount at an annual rate equal to the [Main Refinancing Operations Minimum Bid Rate published by the European Central Bank applicable from time to time] [the Official Bank Rate published by the Bank of England applicable from time to time] **[delete as appropriate]** plus 3% compounded Monthly from and including the Due Date to but excluding the date payment is made.

7.5.2 If, following the resolution of a dispute or otherwise to correct any overpayment or underpayment, one Party is required to pay an amount to the other Party, interest shall be payable on that amount at an annual rate equal to the base lending rate for [Main Refinancing Operations Minimum Bid Rate published by the European Central Bank applicable from time to time] [the Official Bank Rate published by the Bank of England applicable from time to time] **[delete as appropriate]** plus 1% compounded Monthly from the original Monthly Statement Due Date or from the payment date (as applicable) if the dispute, overpayment or underpayment had not occurred to, but excluding, the date payment is made.

7.5.3 If the rate in this clause ceases temporarily or permanently to be published then the Party owed money may substitute a rate which it considers, acting reasonably, to be equivalent to that rate published by the [European Central Bank] [Bank of England] **[delete as appropriate]**.

7.6 Netting

7.6.1 If on any date, amounts under Clauses 7.1.1 (viii) and 7.1.2 ("Statement Amounts") would otherwise be payable in the same currency by each Party to the other as a result of more than one Monthly Statement being issued then, on that date, each Party's obligation to

make payment of any such amount will be automatically satisfied and discharged, and if the Statement Amount that would otherwise have been payable by one Party exceeds the Statement Amount that would otherwise have been payable by the other Party, it shall be replaced by an obligation upon the Party by whom the larger Statement Amount would have been payable to pay to the other Party, the excess of the larger Statement Amount over the smaller Statement Amount.

7.7 Failure to Issue Monthly Statement

- 7.7.1 If the Seller fails to issue a Monthly Statement in accordance with Clause 7.1 (Monthly Statement), then the Buyer may issue that Monthly Statement to the Seller and, once issued, that Monthly Statement shall be treated as a Monthly Statement issued by the Seller for the purposes of this Agreement.
- 7.7.2 Except as provided in this Clause 7, failure to issue a Monthly Statement shall not affect the rights and obligations of the Parties under this Agreement and shall not be a material breach of this Agreement under Clause 11.1.4.

7.8 No accurate Information

- 7.8.1 If any information required to prepare a Monthly Statement is not available at the time that Monthly Statement is prepared, then a Party may prepare that Monthly Statement based on its reasonable estimate of that information.
- 7.8.2 If arising from the issue of a Timetabled Settlement Re-run Statement there is any change to the information used to prepare a Monthly Statement after that Monthly Statement is received or information that was estimated in order to prepare a Monthly Statement becomes available, then within one Month after the end of the Month in which the complete Timetabled Settlement Re-run Statements for the month of re-settlement are issued either Party may, by notice to the other, require an adjustment payment to be made to reflect the changed or newly available information. The adjustment payment shall be made within 5 Business Days of receipt of the notice together with interest calculated in accordance with the terms of this Agreement.
- 7.8.3 If, arising otherwise than as provided in clause 7.8.2, there is any change to the information used to prepare a Monthly Statement after that Monthly Statement is received or information that was estimated in order to prepare a Monthly Statement becomes

available, then within one Month after the end of the Month in which the relevant information became available either Party may, by notice to the other, require an adjustment payment to be made to reflect the changed or newly available information provided that the amount of the adjustment payment is not less than €10,000. The adjustment payment shall be made within 5 Business Days of receipt of the notice together with interest calculated in accordance with the terms of this Agreement.

7.8.4 Where an adjustment payment required by a Party pursuant to clause 7.8.3 is to be made by the Seller, the Seller shall, using the changed or newly available information, review the Monthly Statement most recently issued in respect of the relevant month to all Buyers and shall issue a revised Monthly Statement to each Buyer if such revised Monthly Statement shows that an adjustment payment should be made by either Party to the other. Any such adjustment payment shall be made within 5 Business Days of issue of the revised Monthly Statement together with interest calculated in accordance with the terms of this Agreement.

7.8.5 This Clause 7 shall survive Termination of this Agreement.

8. Confidentiality of Information

8.1 The Parties shall treat each Transaction and all information provided under or in connection with this Agreement including Monthly Statements (together the "Confidential Information") as confidential and shall not disclose the Confidential Information without the prior written consent of the other Party, save that the consent shall not be required for disclosure:

8.1.1 to directors or employees of a Party and without prejudice to the requirements of its Electricity Licence, to any Affiliate, provided that they in turn are required by that Party to treat the Confidential Information as confidential in favour of the other Party on terms substantially the same as those set out in this Clause 8;

8.1.2 to persons professionally engaged by a Party, provided that they in turn are required by that Party to treat the Confidential Information as confidential in favour of the other Party on terms substantially the same as those set out in this Clause 8;

8.1.3 to the extent required by any government department or agency or regulatory authority having jurisdiction over that Party (including the Regulatory Authorities);

- 8.1.4 to any bank, other financial institution or rating agency to the extent required in relation to the financing of a Party's business activities, provided that the bank, or other financial institution or rating agency, as the case may be, is required by that Party to treat the Confidential Information as confidential in favour of the other Party on terms substantially the same as those set out in this Clause 8;
- 8.1.5 to the extent required by any applicable laws, judicial process or the rules and regulations of any recognised stock exchange;
- 8.1.6 to any intending assignee of the rights and interests of a Party under this Agreement or to a person intending to acquire an interest (direct or indirect) in a Party provided that the intending assignee or acquirer in turn is required to treat the Confidential Information as confidential in favour of the other Party on terms substantially the same as those set out in this Clause 8; or
- 8.1.7 to the extent that the Confidential Information is in or lawfully comes into the public domain other than by breach of this Clause 8.

9. Non-issuance of SMP

If, in respect of a Trading Period, the SMP is not issued at any time, then the Parties shall be relieved of their obligations under Clause 5 (Payment Obligations and Contract Quantity Reduction) for that Trading Period.

10. Liability/Exposure Calculation and Payment Assurances

10.1 No Consequential Loss

Except to the extent included in any amounts to be paid under any Termination Payment, neither Party shall be liable to the other, whether in contract, tort (including negligence and breach of duty) or otherwise at law, for any loss of use, profits, contracts, production, revenue or for business interruption or for any consequential or indirect loss or damage of whatsoever nature and howsoever arising.

10.2 Exposure Calculations and Payment Assurances

10.2.1 A Credit Exposure calculation will be made by the Seller for all Transactions on the thirteenth Business Day of each Month. The Credit Exposure calculation will utilise the Forward Exposure methodology specified in Schedule 4.

- 10.2.2 If the Seller has a positive net Credit Exposure aggregated for its relevant Transactions, as calculated pursuant to Schedule 4, the Seller may, by facsimile sent prior to 17:00 hours on a Business Day, request the Buyer to provide the Margin in an amount equal to the Credit Exposure (a "Margin Call"). The Margin may be provided in the form of Cash Deposit or a Letter of Credit. The Margin requirement will be rounded up to the nearest €20,000 Euro or £18,000 Pounds Sterling.
- 10.2.3 If the Seller issuing the Margin request provides written notice of the Margin Call request, the Buyer shall provide the Margin not later than 17:00 hours on the third Business Day following the date that notice was served.
- 10.2.4 In the event that the Buyer fails to provide the Margin when due, then an Event of Default will be deemed to have occurred and the Seller will be entitled to the remedy set forth in Clause 11.4 (Termination Payment).
- 10.2.5 The Credit Exposure will be calculated and applied on the thirteenth Business Day of each Month during the Term. If, between calculations of Credit Exposure on the thirteenth Business Day of the Month, the Intra-Month Margin Call Threshold as defined in Schedule 4 is exceeded, then the Seller may, at its discretion, require a further Margin Call ("the Intra-Month Margin Call") in accordance with the Credit Exposure calculation set out in Schedule 4.
- 10.2.6 Any Cash Deposit or Letter of Credit for the benefit of the Seller in excess of the required Credit Exposure, as determined under the Credit Exposure calculation, will be deemed to be Surplus Margin. The Surplus Margin will be cancelled within two Business Days by the Seller upon receipt of a written request from the Buyer by facsimile sent prior to 17:00 hours on a Business Day.
- 10.2.7 For Margins provided by Cash Deposit, the Seller will satisfy its obligation to cancel the Surplus Margin by signing and transmitting by facsimile to the Buyer a notice indicating and agreeing to the new Margin amount.
- 10.2.8 If the Margin is provided by a Letter of Credit then the Seller will notify the Buyer of the Surplus Margin, providing permission to the Buyer to cancel the Surplus Margin. The Buyer may then cancel the Surplus Margin. The Surplus Margin is deemed to be

cancelled upon receipt by the Seller of a duly approved and executed replacement Letter of Credit.

- 10.2.9 In the event that the Seller fails to satisfy its obligation to cancel Surplus Margin when due in accordance with this clause, then an Event of Default will be deemed to have occurred and the Buyer will be entitled to the remedy set forth in Clause 11.4 (Termination Payment).
- 10.2.10 The entity providing a letter of credit must meet the requirements of the Specification of the Minister for Finance issued in accordance with the provisions of Section 2 of the Financial Transactions of Certain Companies and Other Bodies Act 1992, as amended from time to time.

11.1.2 **Representation or Warranty**

Any representation or warranty made in this Agreement, or deemed to have been made or repeated, by a Party proves to have been false or materially misleading at the time it was made or was deemed to have been made;

11.1.3 **Non-Payment**

Subject to Clause 7.4 (Disputed Payments), a Party fails to pay any amount when due under this Agreement, and that failure is not remedied on or before the 3rd Business Day after the Non-Defaulting Party gives the Party notice of that failure.

11.1.4 **Material Obligations**

A Party fails to perform a material obligation under this Agreement (but other than an obligation referred to in Clause 11.1.3) and that failure is not remedied within 5 Business Days of the Non-Defaulting Party giving the Party notice of that failure;

11.1.5 Payment Assurances

The Buyer fails to provide the Margin or the Seller fails to return the Surplus Margin in accordance with Clause 10.2 (Exposure Calculations and Payment Assurances).

11.2 Termination Right

11.2.1 If, at any time, an Event of Default has occurred and is continuing, the Non-Defaulting Party may designate a day as an early termination date (the "Early Termination Date") in respect of all outstanding Transactions between the Parties by giving not more than 20 days' notice to the Defaulting Party. This notice shall specify the relevant Event of Default. The Early Termination Date may not be earlier than the day the notice is effective.

11.2.2 The right under Clause 11.2.1 is in addition to any other remedies available under this Agreement or at law.

11.2.3 The notice of the Early Termination Date may be made by telephone if that notice is confirmed in writing within 2 Business Days.

11.3 Early Termination Date

11.3.1 If notice designating an Early Termination Date is given under Clause 11.2.1, the Early Termination Date will occur on the date so designated even if the circumstances giving rise to the Event of Default are no longer continuing.

11.3.2 Upon the effective designation of an Early Termination Date: (a) no further payments or compliance with Clause 7 will be required in respect of all Transactions; and (b) the amount, if any, payable in respect of an Early Termination Date shall be determined pursuant to Clause 11.4 (Termination Payment).

11.4 Termination Payment

11.4.1 On, or as soon as reasonably practicable after, the Early Termination Date, the Non-Defaulting Party shall in good faith calculate the termination payment (the "Termination Payment"), being the Loss for all Transactions.

11.4.2 "Loss" means an amount that the Non-Defaulting Party reasonably determines in good faith to be its total losses and costs (or gain, in which case expressed as a negative

number) in connection with the termination of the Transactions, including any loss of bargain, cost of funding or, at the election of the Non-Defaulting Party but without duplication, loss or cost incurred as a result of its terminating, liquidating, obtaining or re-establishing any related trading position (or any gain resulting from any of them). Loss includes losses and costs (or gains) in respect of any payment required to have been made and not made on or before the Early Termination Date. Loss does not include the Non-Defaulting Party's legal fees and out-of-pocket expenses. The Non-Defaulting Party may (but need not) determine its Loss by reference to quotations of relevant rates or prices from one or more leading traders in the wholesale electricity market in Ireland and Northern Ireland who are independent of the Parties. In addition the Seller (if it is the Non-Defaulting Party) may (but need not) rely on the formula in Part A of Schedule 4 to arrive at estimates of future SEM prices when determining its loss.

- 11.4.3 The Non-Defaulting Party shall notify the Defaulting Party of the Termination Payment including detailed support for the Termination Payment calculation.
- 11.4.4 A Party shall not be required to enter into replacement transactions in order to determine the Termination Payment.
- 11.4.5 If the Termination Payment is a positive number, the Defaulting Party shall pay the Termination Payment to the Non-Defaulting Party within 2 Business Days of delivery of invoice or notification of the Termination Payment amount (the "Termination Payment Date"), which amount shall bear interest calculated in accordance with Clause 7.5 (Interest). If any part of the Termination Payment is unpaid by the Termination Payment Date, the Non-Defaulting Party shall be entitled to draw down any Margin provided by the Defaulting Party under Clause 10.2 (Exposure Calculations and Payment Assurances) to the extent only of any shortfall in the Termination Payment.
- 11.4.6 If the Termination Payment is a negative number, the Non-Defaulting Party shall pay the Termination Payment to the Defaulting Party within 30 Business Days of the Termination Payment Date, which amount shall bear interest calculated in accordance with Clause 7.5 (Interest).
- 11.4.7 (i) The Non-Defaulting Party may, at its option, set off the Termination Payment against any or all other amounts owing (whether or not matured, contingent or

invoiced) between the Parties under this Agreement or under any other agreements, instruments or undertakings between the Parties.

- (ii) The right of set-off shall be without prejudice and in addition to any right of set-off, combination of accounts, lien, charge or other right to which any Party is at any time otherwise entitled (whether by operation of law, by contract or otherwise).
- (iii) If an amount is unascertained, the Non-Defaulting Party may reasonably estimate the amount to be set off. The Parties shall make any adjustment payment required within 3 Business Days of the amount becoming ascertained.

11.4.8 Disputed amounts under this Clause 11.4 shall be paid by the Defaulting Party subject to refund with interest calculated in accordance with Clause 7.5 (Interest) if the dispute is resolved in favour of the Defaulting Party.

11.4.9 Termination of this Agreement shall not affect:

- (i) any rights or obligations which may have accrued prior to such termination; and
- (ii) any rights or obligations of either Party under this Agreement which are expressly stated to continue beyond such termination.

11.4.10 Each Party acknowledges that payment obligations in Clause 11.4 are reasonable in light of the anticipated harm and difficulty of estimation or calculation of actual damages. Each Party waives the right to contest those payments as an unreasonable penalty or otherwise.

12. Disputes

- 12.1 (i) Subject to Clauses 6.2 (Indexation) and 7.4 (Disputed Payments) and for any Dispute other than an EMIR Dispute, each Party shall use good faith and reasonable commercial efforts to informally resolve all disputes arising out of the implementation of this Agreement within 30 days of receipt of notification of a dispute by either Party.
- (ii) Any dispute between the Parties under this Agreement shall be referred to a designated senior representative of each of the Parties, who shall seek to resolve the dispute.
- (iii) If such representatives can resolve the dispute, such resolution shall be reported in writing to and shall be binding upon the Parties.

(iv) If such representatives cannot resolve the dispute within the 30 day period referred to above or a Party fails to appoint a representative within 10 days of written notice of the existence of a dispute, either Party may, proceed as set out below.

12.2 In accordance with Clause 12.1 (iv) the dispute shall be escalated by issuing a written notice ("Expert Determination Notice") to the other Party requiring the dispute to be dealt with in accordance with Clause 12.3.

12.3 Where an Expert Determination Notice is given in respect of a dispute it shall be determined in accordance with Clauses 12.3.1 to 12.3.8.

12.3.1 (i) The Parties shall seek to agree the identity of an Expert. If the Parties do not agree the identity of an Expert within 5 Business Days of an Expert Determination Notice then either Party may apply to the [President of the Law Society of Ireland/Northern Ireland] **[delete as appropriate]** to nominate an Expert to determine the dispute requesting that the nomination be made within 10 Business Days of receipt of the application.

(ii) The Parties shall jointly appoint the nominated or agreed Expert within 3 Business Days of the written agreement or receipt of a nomination pursuant to this Clause 12.3.1, failing which either Party may, by written notice to the Expert and the other Party, appoint the Expert.

12.3.2 No person shall be appointed as an Expert in any dispute in respect of which that person has any personal, financial or professional interest in the dispute except by prior written consent of the Parties, and the Parties shall make appointments subject to the proposed Expert disclosing to the Parties any circumstances likely to create a presumption of bias or prevent a prompt resolution of the dispute.

12.3.3 The Expert shall act as an expert and not as an arbitrator. The Expert shall have the power to make determinations as he or she thinks fit, including determinations as to the Parties' contractual rights and obligations and amounts owed by one Party to the other (including the awarding of costs).

12.3.4 Where a dispute is referred to an Expert the procedures to be followed shall be as determined by the Expert subject only to the following, which the Parties shall reflect in the Expert's terms of reference:

(i) the Expert shall consult with the Regulatory Authorities;

- (ii) the Expert shall have the power to determine requirements for hearings and the form and timing of submissions (subject to any procedures agreed between the Parties and notified to the Expert);
- (iii) all written communications or submissions received by the Expert shall be made available to both Parties;
- (iv) the Expert shall prepare a preliminary determination and provide such preliminary determination, together with written reasons for the preliminary determination, to the Parties within 30 Business Days of appointment or by such later date as the Expert may specify but no later than 90 Business Days after appointment; and
- (v) the Parties shall have the right to submit written comments on such preliminary determination within 7 Business Days of receipt. The Expert shall take account of such comments and shall be required to issue a final determination within 20 Business Days of the expiry of such 7 Business Day period.

12.3.5 Subject to any award of costs, including legal costs, by the Expert in its final determination:

- (i) the Expert's costs shall be borne equally by the Parties, and the Parties shall make such payments on account of the Expert's costs as the Expert may reasonably require; and
- (ii) each Party shall bear its own cost and expenses, including those of all advisers, witnesses and employees retained by it.

12.3.6 The Parties shall comply with any determinations of an Expert in relation to the conduct of proceedings instituted pursuant to this Clause 12.

12.3.7 In the event that an Expert becomes unwilling or unable to act in relation to a dispute or fails to make a determination within the timescales required by this Agreement, then either Party may by written notice to the other ("Substitution Notice") require a substitute Expert to be appointed in accordance with the procedure specified in Clause 12.3.

For this purpose, Clause 12.3.1 shall be interpreted as if the words "a Substitution Notice" were included in place of "an Expert Determination Notice".

12.3.8 The determination of the Expert in relation to a dispute subject to Expert determination shall be final, conclusive and binding upon the Parties.

12.4 During the course of any Expert determination under this Clause 12:

- (i) the Parties shall continue to perform their respective obligations under this Agreement;
and
- (ii) neither Party shall exercise any other remedies arising by virtue of the matters in dispute.

12.5 If as a result of any Expert determination the Parties are required to vary this Agreement (either through their actings and/or by written amendment) then the provisions of Clause 17.5 (Amendments) shall apply.

12.6 **EMIR Dispute:** The parties agree that they will use the following procedure to identify and resolve

Action or inaction by a party in respect of this Clause 12.6 will not be presumed to operate as an exercise or waiver, in whole or part, of any right, power or privilege such party may possess in respect of each other under any contractually agreed process, by operation of law or otherwise. In particular, but without limitation, (a) any valuation in respect of one or more Relevant Transactions for the purposes of this Clause 12.6 will be without prejudice to any other valuation with respect to such Relevant Transaction(s) made for collateral, close out, dispute or other purpose; (b) the parties may seek to identify and resolve issues and discrepancies between themselves before either party delivers a EMIR Dispute Notice; and (c) nothing in this Clause 12.6 obliges a party to deliver a EMIR Dispute Notice following the identification of any such issue or discrepancy (notwithstanding that such issue or discrepancy may remain unresolved) or limits the rights of the parties to serve a EMIR Dispute Notice, to commence or continue a contractually agreed process (whether or not any action under Clauses 12.6.1 to 12.6.3 have occurred) or otherwise to pursue any dispute resolution process in respect of any such issue or discrepancy (whether or not any action under Clauses 12.6.1 to 12.6.3 have occurred).

SCHEDULE 3 DIFFERENCE PAYMENTS

A. Strike Price

The Strike Price for a Transaction is as specified in that Transaction's Confirmation Letter. The Strike Price for a Transaction may vary by Quarter or Month. The Strike Price applied in a given Trading Period, in order to calculate the Difference Payment for that Trading Period, shall be the Strike Price for the Quarter or Month in which the Trading Period falls.

B. SMP Reference Price

The SMP is the reference price for each Trading Period and is used to calculate Difference Payments.

C. Difference Payment due to Seller

For each Transaction, the Difference Payment due to Seller ("DPS") for a Trading Period is calculated as follows:

$$DPS_{tp} = 0.50 * \text{Max} (0, (SP_{tp} - SMP_{tp}) * Q_{tp})$$

where:

SMP_{tp} is the SMP in [€/MWh]/[£/MWh] for the Trading Period;

SP_{tp} is the Strike Price in [€/MWh]/[£/MWh] for that Transaction applicable to the Trading Period; and

Q_{tp} is the Settlement Quantity (in MW) for that Transaction applicable to the Trading Period.

By way of non-binding illustrative example for the above calculation, say:

$$SMP_{tp} = 46 \text{ (€/MWh or £/MWh)}$$

$$SP_{tp} = 50 \text{ (€/MWh or £/MWh)}$$

$$Q_{tp} = 5\text{MW},$$

then the Difference Payment due to the Seller will be: $0.5 * \text{Max} (0, (50-46) * 5) = 10$ (€/MWh or £/MWh).

D. Difference Payment due to Buyer

For each Transaction, the Difference Payment due to Buyer (“DPB”) for a Trading Period is calculated as follows:

$$DPB_{tp} = 0.50 * \text{Max} (0, (SMP_{tp} - SP_{tp}) * Q_{tp})$$

where:

SMP_{tp} is the SMP in [€/MWh] [£/MWh] for the Trading Period;

SP_{tp} is the Strike Price in [€/MWh] [£/MWh] for the Trading Period; and

Q_{tp} is the Settlement Quantity (in MW) for that Transaction applicable to the Trading Period.

By way of non-binding illustrative example for the above calculation, say:

$$SMP_{tp} = 55 \text{ (€/MWh or £/MWh)}$$

$$SP_{tp} = 50 \text{ (€/MWh or £/MWh)}$$

$$Q_{tp} = 5 \text{ MW,}$$

then the Difference Payment due to the Buyer will be: $0.5 * \text{Max} (0, (55-50)*5) = 12.5 \text{ (€/MWh or £/MWh)}$

SCHEDULE 4
CREDIT EXPOSURE CALCULATION

The Credit Exposure will be calculated to be equal to the sum of:

- "Forward Exposure" – the aggregate net Forward Exposure for all Transactions under this Agreement;
and
- "Receivables" – the aggregate net amounts owing for Difference Payments incurred but not yet paid for all Transactions under this Agreement, inclusive of any VAT amounts that may be payable in respect of such Transactions.

If the calculation of Credit Exposure above yields a net positive amount for the Seller, then the Seller shall have the right to call for Margin pursuant to Clause 10.2 (Exposure Calculations and Payment Assurances).

The methodology by which Forward Exposure and Receivables shall be calculated is specified in detail below using the Dollar-Euro Foreign Exchange Rate and the Sterling Euro Foreign Exchange Rate.

A. Forward Exposure Definition

On any given Business Day, Forward Exposure is intended to reflect the expected Difference Payments to be paid to a Party during the remaining Term of this Agreement and is calculated as follows:

For each Transaction and for each Quarter and Product type during the remaining Term:

$$\text{Forward Exposure to the Seller} = (1 + \text{VAT}_j) * (\text{SP}_q - 0.85 * \text{ESTSEM}_{p,q}) * Q * \text{Hours}_{p,q}$$

where:

SP_q is the Strike Price in [€/MWh]/[£/MWh] for that Transaction for that Quarter.

$\text{ESTSEM}_{p,q}$ is an estimate of the average SEM price in €/MWh or £/MWh for that Quarter and for the Product that corresponds to the Transaction, calculated as set out below;

Q is the Contract Quantity (in MW) for that Transaction;

Hours $_{p,q}$ is the number of hours for a given Product in a given Quarter, as specified in the table below

VAT_j is the VAT rate payable to the relevant VAT Authorities in jurisdiction j (Republic of Ireland/ Northern Ireland), in the event that VAT is payable on termination payments on Transactions under this Agreement.

By way of a non-binding illustrative example of a Forward Exposure calculation by the Seller for a peak product in Q4, say

$$SP_q = 55$$

$$ESTSEM_{p,q} = 55.8$$

$$Q = 5MW$$

$$\text{Hours}_{p,q} = 368$$

$$VAT_j = 0$$

Then the Forward Exposure to the Seller for that Quarter will be: $(55 - 0.85 * 55.8) * 5 * 368 = 13,929$

For each Transaction, Forward Exposure is aggregated across all remaining Quarters in the Term to arrive at a Forward Exposure value for that Transaction. Forward Exposure is then aggregated across Transactions to arrive at an aggregate net Forward Exposure for all Transactions to be used in the calculation of Credit Exposure.

Any negative Forward Exposure amounts will offset positive Forward Exposure amounts in the calculation of Forward Exposure for a Transaction and in the calculation of net aggregate Forward Exposure for all Transactions.

Estimated Future SEM Price

The formula for calculating ESTSEM shall be as determined by the Regulatory Authorities and used by the Seller for the purpose of Credit Exposure calculation. At any given time, the most recent ESTSEM as published by the Regulatory Authorities shall be used to calculate Credit Exposure.

B. Receivables

Receivables owing to a Party shall be (i) the amounts invoiced, but not yet paid and (ii) amounts incurred, but not yet invoiced. The net aggregate amount owing for all Transactions will be used as

the Receivables amount in the calculation of Credit Exposure. Negative amounts (i.e., amounts payable) will offset positive amounts in the calculation of Receivables.

C. Intra-Month Margin Call Threshold

The Seller may require an Intra-Month Margin Call to be made if at any time the amount of Margin lodged by the Seller is less than the Intra-Month Margin Call Threshold, where the Intra-Month Margin Call Threshold is defined as:

$$= (1 + \text{VAT}_j) * (\text{Receivables} + (\text{SP}_q - \text{ESTSEM}_{p,q} + 0.03\text{ESTSEMM}_{p,q}) * Q * \text{Hours}_{p,q})$$

Where:

Receivables has the meaning given to it in Part B of this Schedule

SP_q , $\text{ESTSEM}_{p,q}$, Q , $\text{Hours}_{p,q}$ and VAT_j have the meaning given to them in Part A of this Schedule

$\text{ESTSEMM}_{p,q}$ was the value of $\text{ESTSEM}_{p,q}$ when the last monthly credit calculation was made

At any time, in the event that the Intra-Month Margin Call Threshold is breached, the Seller may recalculate the Credit Exposure Calculation set out in this Schedule, and make a Margin Call consistent with this revised calculation.

D. Approach to margining during the “Delivery Quarter”

During the Delivery Quarter for a given Transaction, the following additional rules will be used to calculate the Credit Exposure.

- For simplicity, the Forward Exposure calculation will apply to all days which have not yet been invoiced. Hence, when the margin calculation is made on the 13th business day of the Current Month,

the Seller will not use Initial Run or estimated SMPs to calculate Receivables in respect of the days in the Current Month that have already occurred. The whole Current Month will be treated as a Forward Exposure, including those days that have already occurred

- For each fuel, the ESTSEM price variables will be estimated as an unweighted average of the monthly fuel prices in the remaining months in the Quarter, including the Current Month"- i.e. for simplicity no account will be taken of the fact that there are 31 days in January 2013, 28 days in February 2013 etc.
- The applicable monthly fuel prices for the remaining months in the Quarter will be set out in the most recently published version of the Subscription Rules.

SCHEDULE 5**EXAMPLES OF DIFFERENCE PAYMENT****Example of Difference Payments**

(ii) on each PR Due Date, the Portfolio Data Receiving Entity will perform a Data Reconciliation;

(iii) if the Portfolio Data Receiving Entity identifies one or more discrepancies which such party determines, acting reasonably and in good faith, are material to the rights and obligations of the parties in respect of one or more Relevant Transaction(s), it will notify the other party in writing as soon as reasonably practicable and the parties will consult with each other in an attempt to resolve such discrepancies in a timely fashion for so long as such discrepancies remain outstanding, using, without limitation, any applicable updated reconciliation data produced during the period in which such discrepancy remains outstanding; and

(iv) if the Portfolio Data Receiving Entity does not notify the Portfolio Data Sending Entity that the Portfolio Data contains discrepancies by 4 p.m. local time in the place of business of the Portfolio Data Sending Entity on the fifth Joint Business Day following the later of the PR Due Date and the date on which the Portfolio Data Sending Entity provided such Portfolio Data to the Portfolio Data Receiving Entity, the Portfolio Data Receiving Entity will be deemed to have affirmed such Portfolio Data.

(b) Exchange of Portfolio Data. If both parties are Portfolio Data Sending Entities:

(i) on each Data Delivery Date, each party will provide Portfolio Data to the other party;

(ii) on each PR Due Date, each party will perform a Data Reconciliation; and (iii) if a party identifies one or more discrepancies which such party determines, acting reasonably and in good faith, are material to the rights and obligations of the parties in respect of one or more Relevant Transaction(s), it will notify the other party in writing as soon as reasonably practicable and the parties will consult with each other in an attempt to resolve any such discrepancies in a timely fashion for so long as such discrepancies remain outstanding, using, without limitation, any applicable updated reconciliation data produced during the period in which such discrepancy remains outstanding.

(2) Change of Status

(a) Each party may change its own designation with the written agreement of the other party (such agreement not to be unreasonably withheld or delayed and for this purpose the parties agree, without limitation, that it will not be unreasonable for a party to withhold agreement where agreement would

result in the other party having different designations in respect of such party and one or more Affiliates of such party). If, as a result of any such change of designation, both parties will be Portfolio Data Receiving Entities, the parties will agree a process for reconciling Portfolio Data in order to meet the requirements of the Portfolio Reconciliation Risk Mitigation Techniques.

(b) If a party believes, acting reasonably and in good faith, that the parties are required to perform Data Reconciliation at a greater or lesser frequency than that being used by the parties at such time, it will notify the other party of such in writing, providing evidence on request. From the date such notice is effectively delivered, such greater or lesser frequency will apply and the first following PR Due Date will be the earlier of the date agreed between the parties and the last Joint Business Day in the PR Period starting on the date on which the immediately preceding Data Reconciliation occurred (or, if no Joint Business Day occurs which is within such PR Period and is on or following the date such notice is effective, the first Joint Business Day following the later of the end of such PR Period and the date such notice is effective).

(3) Use of agents and third party service providers

For the purposes of performing all or part of the actions under this Schedule 8 each party may appoint:

(a) an Affiliate to act as agent, immediately on written notice to the other party; and/or,

(b) subject to the other party's agreement (such agreement not to be unreasonably withheld or delayed) (i) an entity other than an Affiliate as agent and/or (ii) a qualified and duly mandated third party service provider.
