RE: SEM Testing Tariffs 2016 (SEM-15-087)

Dear Sirs,

Tynagh Energy Limited (TEL) welcomes the opportunity to respond to the SEM Testing Tariffs Consultation Paper (SEM-15-087).

TEL would like to acknowledge the reduction in applicable tariffs, which we are hopeful is a step in acknowledging the role of thermal generation in supporting the future electricity framework on the island.

Should you have any queries, please do not hesitate to contact us.

Yours sincerely,

Cormac Daly
Risk and Regulatory Manager
